

MORDAZA CARTUCHERA

C/GANCHO

PRODUCT INFORMATION

FTTH drop cable clamp D2.1 was designed to tension FTTH fiber optic cable or telephone drop wires in FTTX constructions.  
Drop cable clamp D2.1 can be used with flat type cable size 2.0\*3.0 and 2.0\*5.0 that we produce in a complex.

INTRODUCTION

- 1. S hook and wedge lock design
- 2. Easy cable slack adjustment to apply proper tension
- 3. No tools required for installation
- 4. Made of UV resistant polymer for excellent environmental stability
- 5. Made of hot galvanized steel guarantee for long time usage
- 6. Reliable mechanical strength
- 7. Competitive price

COMPONENTS

- 1. Fiber optic clamp body, made of UV resistant Nylon
- 2. S-hook, made of hot dip galvanized steel

TECH SPECS

Product code	Cable size (mm)	MBL,KN	Materials
D2.1	Flat 2*3 / 2*5	0.5	UV resistant plastic and galvanized steel
